### **At conclusion,**

Atten – Shun!

Squad, Fall – Out! (On the floor).

**PLEASE NOTE:** This set of Commands is a “simpler” set, intended for the use of the Squad Commander. For the Leader taking the Drill Class, there is a separate set provided Obviously, the commands are the same, but there are also plenty of notes and hints - for guidance, hopefully!

The 2 sets have been provided in response to observations that the “Notes”, if on the same page as the Commands, were confusing some Squad Commanders!
