

Easter Biscuits

Page | 1

Ingredients

- 300g plain flour
- 150g caster sugar
- 150g real block butter
- 1 large egg
- Few drops vanilla essence/extract (optional)

Method

1. Weigh the flour and sugar into a bowl. Add the butter and rub in until it looks like breadcrumbs with no big lumps of butter visible.
2. Beat the egg with vanilla then add to the bowl, gather together using knife and then use your hands to knead the biscuit dough together. Don't overwork the dough.
3. Shape into a disc cover with cling film and refrigerate for 20 minutes.
4. Heat the oven to 160°C fan/Gas 4, line to baking trays with parchment.
5. Dust the work surface with flour, have the dough and roll out to the thickness of a euro coin, cut out dough using shaped cutter or make your own cutter out of a thick piece of cardboard or tin foil. Place spaced out on tray.
6. Repeat the process with the rest of the dough. *(I used a round cutter, an egg shape I made out of tinfoil, a gingerbread man cutter and then cut the arms off to make the bunny, and a knife to cut out the cross.)*
7. Bake for 10-15 minutes until the biscuits are pale golden. Cool on the baking tray to firm up a little for 10 minutes then transfer to a wire rack.

Decorating

If you wish to decorate your biscuits, you can make icing as follows:

1. Add cold water to icing sugar to make a thick icing
2. Add some of this to a piping bag with small nozzle or use a small freezer bag and cut a small hole in the corner to make a homemade piping bag
3. Add food colourings to rest of icing in separate bowls and get creative!!

BALLOON TENNIS

#BBATHOME

GET ACTIVE

20 MINUTES

PREPARATION NEEDED

GETTING INTO THE ACTIVITY

Bring the game of tennis to your home with a simple but fun game of balloon tennis.

To set up your tennis court hang a blanket between two objects, such as chairs, for the net. Place markers (socks or tea towels) in the corners of your court so you roughly know the boundaries.

For a ball use an inflated balloon, however if you don't have a balloon then use a soft ball or even a pair of socks made into a ball. For rackets use household items such as books, magazines, frying pans etc, or you could just use the palm of your hands.

Now play tennis with a family member. Take turns to serve and see how long you can keep a rally going. Score points like in real tennis. You could even create a mini tournament if you have 3 or more family members in your home.

WHAT YOU'LL NEED

- Balloon
- Blanket

Please ensure the space and equipment used for this activity is safe and suitable.

If you would like to share photos of your activity, an adult should initiate any contact with the BB Company and/or the Rol BB HQ.

FINGER FOOTBALL

#BBATHOME

GET ACTIVE

30 MINUTES

PREPARATION NEEDED

GETTING INTO THE ACTIVITY

Celebrate the return of Premier League football by creating a game of finger football with your family.

Print out the finger football template or draw your own. Cut out both players and colour them in with the colours of your favourite football team. Cut out the finger holes and then place your fingers through the two holes, to become the footballer's legs.

Set up a small football pitch, including two goals. You'll also need to create a football that you can flick. Scrunched up tin foil would work for this. Now challenge a family member to a game of flick football. The aim being to flick the ball into your opponent's goal. Take turns to flick the ball to score / defend your goal.

WHAT YOU'LL NEED

- Finger Football Template
- Colouring Pens
- Tin Foil

Please ensure the space and equipment used for this activity is safe and suitable.

GETTING INTO THE ACTIVITY

Using items found in the garden, create an Easter garden to retell the death, burial and resurrection of Jesus Christ.

Fill a tray/plate with layer of soil. On one side on the tray/plate make a small mound with soil. Tie two twigs together to create a cross and stick this into the mound. This represents Jesus' crucifixion.

On the other side place a small flower pot or yoghurt pot to create the tomb. Infront of the tomb place a large stone. This represents the stone that sealed Jesus' body in the tomb and was found rolled away on Easter Sunday.

Create a small winding path from the tomb to the edge of the tray and then decorate the rest of the tray with leaves, grass and flowers such as daisies to help make it look colourful.

WHAT YOU'LL NEED

- Tray / Plate
- Soil
- Small Flower Pot
- Twigs
- Stone

Please make sure the equipment used is safe and appropriate. Children will need to wash their hands afterwards.

GETTING INTO THE ACTIVITY

A challenge to see how many times you can bounce a ball against a wall without it dropping.

Find a suitable wall which you can throw a tennis ball against. We recommend an outside wall away from a window. You will need to stand 1.5 metres away from the wall.

Throw the ball against the wall and then catch it.

Repeat this and see how many times you can catch the ball without dropping it, in one minute. If you drop the ball then you'll need to start that attempt again. Try it a number of times to see if you can improve your score.

Get your parent/guardian to share a photo or video with your BB Leaders or send to BB Rol HQ.

WHAT YOU'LL NEED

- Tennis Ball (or similar)

Advise where the activity should take place to avoid any breakages.

BUG HOTEL

#BBATHOME

GET ADVENTUROUS

30 MINUTES

PREPARATION NEEDED

GETTING INTO THE ACTIVITY

The space outside where you live will be home to hundreds of bugs and creepy crawlies. Create a bug hotel for them to live in and help you keep an eye on which bugs are visiting.

To create your hotel, you'll need to cut off the bottom end of a drinks bottle. A grown-up will need to do this. Fill the bottle with long twigs, sticks, bark, leaves etc. Try to get them to run the length of the bottle and so they don't come out the end. If you can, try to cram the bottle with enough sticks, twigs etc, that they all stay in place if you give the bottle a little shake.

Lay the hotel in your garden or by your front door. Over the coming days, keep checking to see if any bugs are living in your bug hotel and try to keep a record of the different bugs that you see.

WHAT YOU'LL NEED

- Drinks Bottle
- Scissors
- Twigs, leaves, bark etc
- Paper / Newspaper

This activity should be supervised by an adult. Please wash your hands after making the bug hotel.

Memory Game

Also known as “Pairs” or “Double turn-up”

Page | 19

Instructions:

- There are 20 Pairs of cards in this Pack. You can use as many or as few Pairs as you like.
 - You can have up to 4 Players (*especially if you are using all the cards*).
1. You could maybe start with 5 Pairs of cards, and then use more Pairs as your memory skills improve. Just make sure you always have Pairs!
 2. Having selected the number of Pairs you are going to use, “shuffle” them to mix them up.
 3. Players should work out among themselves who should go first (*this may be a disadvantage unless you are lucky to get a matching pair in your first go!*)
 4. Place all the cards **FACE DOWN** on the floor or table, either in rows or randomly placed.
 5. Players take turns to turn over a card and then try and turn over the “Matching” Card. If they match, the player keeps those cards. If they don't match, the Cards are turned face down again, and the next player has a go (*Everybody of course is trying to remember what card was turned up where before!*)
 6. When all the cards are paired, the Winner is the person with the most Pairs.
 7. Reshuffle cards well to play again.

Optional Rule:

Sometimes the game is played with a Rule that, if you get a matching Pair, you get another go. Whether or not to use that Rule will be up to the Players to decide, as a Group, before the game starts.

NB: You can also use the cards to play “SNAP”

Easter Bible Story

Page | 20

What an awfully sad day it had been for the friends of Jesus! They had stood watching sorrowfully, as Jesus hung on the cross dying. They didn't fully understand why it had to happen.

They believed that Jesus was the Son of God, and they remembered how He had healed the sick and made blind people see. They remembered how He had fed thousands of people with just a few loaves of bread and fish. They even remembered how He had caused dead people to come back to life. He was such a good, kind man; why did He have to die?

Just before the sun was beginning to sink into the west, Joseph, one of Jesus' friends, noticed that Jesus was no longer breathing. He hurriedly went to ask Pilate if he could have the body of Jesus so he could bury Him. When Pilate agreed, Joseph and Nicodemus (another friend) carefully wrapped Jesus' body in clean

cloths. Then they took Him to a tomb to bury Him.

The next day, the *Pharisees* started thinking about Jesus. They were the people that had wanted to kill Jesus. They remembered how He had taught them, saying that He would rise again after three days. They were worried that it might be true! They also thought that Jesus' disciples would remember and might try to steal the body from the tomb just so they could say that Jesus rose again. They went to

Pilate, suggesting that the tomb be closed up with a huge stone and that guards be placed all around the tomb.

Just before daylight the next day, the most *amazing* thing happened!

Page | 21

There was a GREAT EARTHQUAKE! An ANGEL from the Lord came down from heaven, moved the gigantic stone away from the door of the tomb and sat on it. The guards began to shake with fear! They fell down to the ground as if they were dead!

Mary and some other women had decided to get up very early in the morning and go to visit the tomb where Jesus was placed. While walking down the road, they were discussing how they were going to get inside the tomb. They had brought along some spices and perfume that they wanted to place on Jesus' body. They knew the huge stone had been placed in the doorway and they had no idea how they were going to move it.

What a SURPRISE they found when they reached the tomb! The stone had *already* been moved! And . . . there was an ANGEL sitting on the stone! The women were quite afraid, but the angel spoke gently to them:

"Don't be afraid. I know that you have come to see Jesus. He is not here; for he is risen just as he said. Come inside and see the place where he lay."

The women went inside the tomb and found it empty, just as the angel had told them.

The angel spoke to the women one more time:

"Go quickly and tell the other disciples that Jesus has risen from the dead; and he is going into Galilee where you will see him."

Page | 22

The women did just as the angel had told them. They ran quickly from the tomb, with fear and great joy, to tell the good news to the other disciples. But . . . when the women found Peter and their other friends and tried to tell them the good news, . . . *no one believed them!*

When the women persisted, Peter decided that he needed to find out for himself.

He ran all the way to the tomb.

He went inside.

He saw the cloths that had been wrapped around Jesus, but the body was not there.

He wondered if it could *possibly* be true. Did Jesus *really* raise from the dead? Was Jesus *really* alive?

Two of Jesus' other friends were going on a journey to a village called Emmaus. As they walked and talked, they discussed all the things that had happened over the past few days. A man came along and joined the group. He walked along with them and wanted to join their discussion. Cleopas began telling the man about how

Jesus was crucified on the cross. They talked about how the women found the empty tomb.

As they continued their journey, they invited the man to come in with them and have dinner. When they sat down to eat their meal, the man picked up a loaf of bread and broke it in pieces. Then he prayed for the meal and gave the bread to the men. At that very moment they realized that the man was JESUS! They had been talking to Jesus the *whole time* and didn't even know it!

Then . . . ANOTHER strange thing happened. As soon as they realized who it really was that sat at the table with them . . .

Jesus *disappeared*! They talked about the wonderful time they had talking with Jesus down the road, and they just *couldn't help* talking about his strange disappearance. They got up from

their meal and returned to Jerusalem where they told all the other disciples the good news that Jesus REALLY DID raise from the dead and had talked with them.

As they were talking, Jesus *again* appeared to them. They were afraid and thought they were seeing a ghost, but Jesus told them not to be afraid. He showed them His hands and feet where He had been nailed to the cross, so they would believe that it was really Him.

When they saw the nail holes in His hands and feet, they finally believed that Jesus had risen from the dead, just like He said He would. They were soooo happy and joyful to have their friend with them again. They were soooo excited that they had to tell EVERYBODY the good news that **JESUS IS ALIVE!**
