

Origami Boba Fett

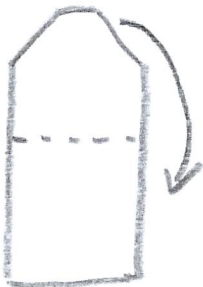

Take a 21 cm square piece of paper and mark the mid line.

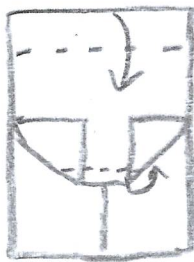

Fold in sides to centre.

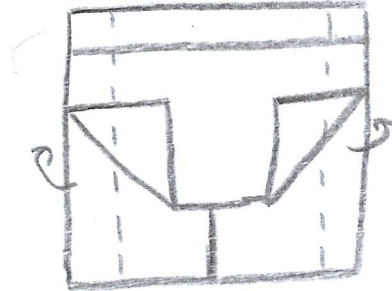

Turn over and fold down the corners at one end.

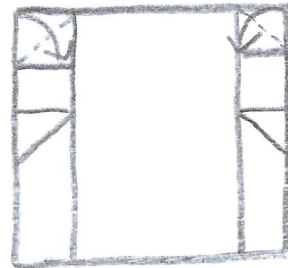

Fold down about 9 cm to make the head.

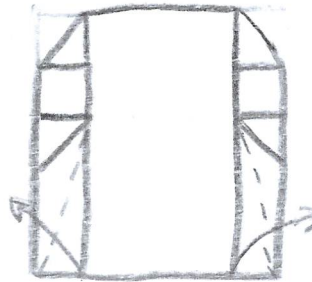

Fold down 2 cm to make the helmet and fold 1 cm behind the flap to make the chin.

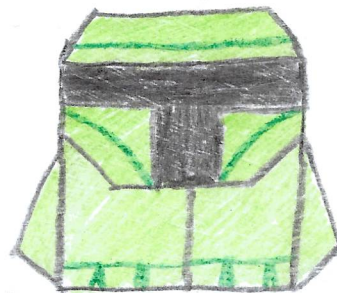

Fold the sides behind (about 1/3)

Turn over and fold down the corners of the helmet.

Fold out the bottom corners to make the arms.

Decorate

Depending on what colour paper you use or what colour you decorate your origami character it could be Boba Fett or Jango Fett or the Mandalorian.
